DRAFT

METHOD FOR CALCULATING

PRICING STRUCTURE	1. Statutory	2. Zero Cost Recovery	3. Partial Cost Recovery
SERVICE CATEGORIES	A	B	E
	Statutory – This is the amount required to be charged by statute. Where this principle applies, Council has no power to alter the amount.	Significant Community Benefit – Service provides a broad community benefit. Generally these services would not be provided if other principles were used to fund them.	Evasion – Where the imposition of a fee or charge to recover full cost may result in widespread evasion.
		C	F
		Practical Constraints – Where the service provided is a minor part of the overall operation of the Council or where the potential for revenue collection is so minor as to be outweighed by the costs of collection.	Stimulate Demand – Where a service is subsidised to provide a stimulus for the demand of a service for: <ul style="list-style-type: none"> ■ the development of a new service; ■ to promote community or environmental benefits; ■ to ensure the economic well being of the community.
	D	G	
	Council Resolution – where a Council resolution is made which effectively states that the service is to be provided as a “public good”.	Public Good including Equity and Social Justice – Where a service is subsidised to ensure access by low income users or other similarly disadvantaged persons.	

Hardship

A reduction or waiver of the fee or charge will only be permitted where the person or organisation requesting it is determined by the General Manager to fit into one or more of the following categories:

Category 1 - Significant Personal Hardship

Category 2 - Not for profit Organisation with Significant Financial Hardship

Category 3 - Demand Stimulation/Community Benefit

For more information, see the section titled “Fees and Charges” in the Operational Plan.

FEES AND CHARGES 2019/20

4. Full Cost Recovery	5. Commercial / Business Activity	6. Demand Management
H Operating costs – Where the fee or charge is calculated based on the full recovery of annual operating and maintenance costs, on-costs and overheads, including debt servicing.	K Commercial / Business Activities – Goods and services provided are of a commercial nature and recovery of costs is based on commercial principles. As a result of these principles a profit may accrue to Council as a compensation for exposure to market risk.	M Demand Management – Fee or charge is determined at a level greater than the direct cost of the service so as to provide a disincentive, or to recognise indirect costs associated with the provision of the service.
I Operating and Assets Costs – As above plus recovery of asset costs such as asset depreciation and the like.	L Internal Services – These services are provided predominantly for Council’s “in-house” use but may be made available for sale to external markets to defray operating costs. The fee or charge is determined with a profit objective.	
J Service Fee – Recovery of costs for “one-off” or irregular services provided by Council. Fee or charge is based on actual cost of providing the service.

Community Venues

Notes:

Regular Hirers are those groups or individuals hiring the same Council venue 10 or more times per calendar year with a Regular Hire Agreement (unless otherwise specified within Fees and Charges).

Casual Hirers are those groups or individuals hiring the same Council venue no more than nine times per calendar year.

Not for Profit – an organisation that does not operate for the profit, personal gain or other benefit of particular people (Australian Charities and Not-for-profits Commission (ACNC) Australian Government).

The Regular Hire fee and Not For Profit fee apply to yearly, Regular Hire Agreements only. Once the Regular Hire Agreement is confirmed by Council, the Regular Hire fee and/or Not For Profit fee will not be applied to any alterations or additional hire periods. In such instances, the Casual Hire fee will apply.

The Casual Hire fee applies to all bookings, at all times outside of a Regular Hire Agreement unless otherwise specified within the Fees and Charges.

Casual Hire takes precedence over Regular Hire to encourage a variety of activities within Council's community venues.

The Not For Profit fee may be applicable to civic groups seeking ad hoc or casual use of a venue at any time.

All venues have a minimum two hour hire period with minimum 1/2 hourly increments thereafter unless otherwise specified. This may be reconsidered if a two hour hire period is not available.

Endorsed Senior Citizens' Clubs and Hornsby District Lantern Club are exempt from hire charges.

Children's birthday parties have a minimum 4 hour hire period charged at the Casual Hire rate applicable.

Commercial Filming – Casual Hire rates apply for the venue in addition to fees under 'Commercial Filming' – see elsewhere within the Fees and Charges document.

Miscellaneous charges and conditions may be applicable to all community venues.

Berowra, Mount Colah and Thornleigh Community Centres are the designated venues suitable for high risk events. High risk functions are considered to be, but not limited to 16-21 year old birthday parties, youth events, large crowd events and live music events.

Class C Hoarding is of the fence type or scaffolding that is located more than 300mm and up to 1,800mm into Council's footpath/footway where the width is at least 3,500mm or not more than half the width of the footpath/footway whichever is the lesser.

DRAFT

Road Openings

ROP Conditions:

1. Prior to commencing any excavation works the permit holder must contact Dial Before You Dig on 1100, to locate and ensure protection to all utilities. Any alterations to existing utilities are subject to negotiation between the permit holder and the relevant company/authority/contractors. Council is not responsible for any costs associated with utilities. For further information refer to 1100.com.au.
2. The opening company/authority/contractors shall be responsible for the protection of the public and shall be responsible for all damages resulting from their negligence.
3. All surface and underground mains, cables, etc, are to be constructed in accordance with Council's "Mains and Services Code".
4. The opening company/authority/contractors shall ensure that at least half of the carriageway and/or footpath shall be available to pedestrians and/or vehicular traffic at all times.
5. Whole slabs of concrete will be charged for, including adjacent slabs which may be damaged during opening.
6. Receipt of restoration orders will be deemed to be and acknowledge that the restoration(s) has been compacted to Council's requirements and left in a satisfactory manner. Additional fees based on the above scale will be charged as often as is necessary for Council to repair sunken trenches, irrespective of the length of time after completion, but only after serving notice on the company/authority/contractors of Council's intention to do so.
7. The opening company/authority/contractors is responsible to ensure the restoration is compacted to Council requirements.
8. All measurements will be taken to the next 100mm – minimum 300mm for footpath and minimum 1000mm for roads.
9. If it is necessary for Council to undertake work on an opening or temporary restoration to provide for the safety of the public, Council will debit the opening company/authority/contractors for the full cost of the work including after-hours rates when appropriate.
10. All permanent construction of Council assets, listed above shall be repaired by Council, except where the company/authority/contractors has a legal right and chooses to do so. In this latter case maintenance shall be the responsibility of that company/authority/contractors for a duration as agreed by Council.
11. Where the opening authority engages contractors, Council requires restoration orders to be issued by the opening authority concerned.
12. An aggregate area of any one item in excess of 50 square metres within a distance of 400 metres may be charged based on actual cost, subject to Council being reimbursed for all costs, including overheads, incurred whether it is more or less than quoted or at a fixed rate negotiated with the Deputy General Manager, Infrastructure and Recreation Division.
13. The Road Opening Conference is an advisory body only and its decisions are NOT binding on Council.
14. Restoration of all brick paved areas will be charged on actual cost basis.
15. Permits must, at all times, be available on the job for inspection by Council's authorised officers.
16. If it is necessary for Council to undertake work on an opening or temporary restoration or place barriers and/or lamps adjacent to an opening to provide for the safety of the public, Council will debit the plumber/drainers/owner/builders for the full cost of the work including after-hour rates when appropriate as per Council's current Fees and Charges for Road Openings.
17. Absolute minimum cover of 450mm (sewerage 900mm) in rock and earth is required at gutters, water tables and footpaths. Absolute minimum cover of 600mm (Sewerage 900mm) in rock and earth required for roads. Where kerbing and guttering is in existence, Sydney Water minimum cover will be permitted, provided footpaths are assumed to have been constructed to a level rising 1 in 25 above the top of the kerb.
18. Permits are valid for six (6) months only, from date of payment.
19. Any unauthorised opening will lead to prosecution of the plumber/drainers/owner/builders.
20. All openings made in paved surfaces shall be provided with a temporary cold or hot mix seal, level with the existing undisturbed pavement adjacent to the opening.
21. All openings of road pavement on State Roads must be approved by Roads and Maritime Services.

Road Openings [continued]

22. All restoration work to be carried out outside normal working hours will be charged on an actual cost basis.

23. Where required, costs for traffic control will be charged in addition to restoration rates.

24. I acknowledge as per 'Surveying and Spatial Information Act 2002 No 83', Part 5, Section 24 that I must not remove, damage, destroy, displace, obliterate or deface any survey mark unless authorised to do so by the Surveyor-General. Penalties apply. For further information refer to Surveyor General's Direction No. 11 which can be found at spatialservices.finance.nsw.gov.au/surveying/publications/surveyor_generals_directions.
